HCS FACTS TUITION MANAGEMENT PROGRAM (Fed Tax ID 72-0871168 / FACTS School ID 528)

Houma Christian School (HCS) outsources its tuition and other billings through a company called FACTS. A FACTS account must be established for every family enrolling into HCS. FACTS is the payment plan provider most widely used by private, faith-based, and public schools nationwide, and helps families like yours meet their financial obligations in a simple, convenient way that is completely confidential and secure. Because it is not a loan program, FACTS does not assess any interest or financial charges, and there is no credit check. FACTS does assess an annual fee per family; the fewer the payments the lesser the fee.
