

Summer Reading Assignment—10th Grade

Dear Parents:

Research shows that the frequency of reading plays a significant role in reading level retention. Therefore, we encourage students to read throughout the summer.

Students: Read as much as you can this summer – keep your brain working. Enjoy your summer, and don't wait until the last minute! See you in August!

Assignment:

- ***Jesus Is* by Judah Smith (all students)**
- ***Around the World in Eighty Days* by Jules Verne (honors only)**

All 10th grade students will read *Jesus Is* by Judah Smith, and honors students will also read *Around the World in Eighty Days* by Jules Verne. During the first 90-minute class period, students will take a comprehension test on the novel(s). This test grade will be worth a 50-point grade for the 1st quarter.

In addition to the test score, students will be required to complete a processed writing based on the summer reading assignment. This writing assignment will be completed during the first two weeks of school. Additional information will be given when the school year begins.
